

# SILICONE RABBIT EAR TEETHER

## Product Manual

**English**

**Product Name:** Silicone Rabbit Ear Teether  
**Material:** Food-Grade Silicone  
**Dimensions:** 75 x 77 x 12mm  
**Colours:** Blue/Pink  
**Recommended Age:** 3 months+

### Product Description:

The Haakaa Rabbit Ear Teether is perfectly sized for little ones starting to teethe. Its easy-to-hold shape and soft silicone teething parts are thin enough to fit in your baby's mouth while still providing relief. You can also chuck it in the freezer to provide added cooling relief to those little aching gums!

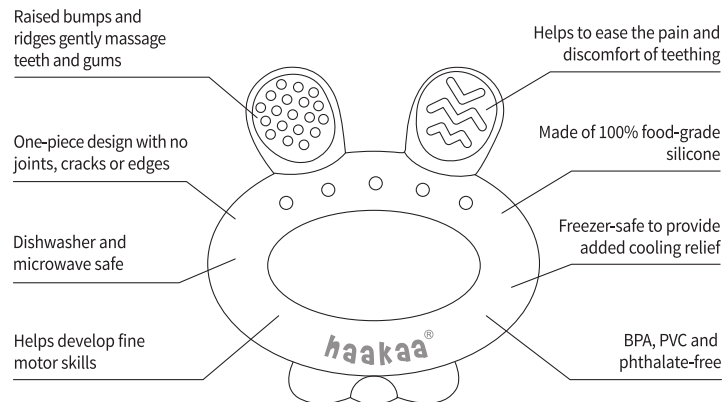

Our specially designed baby teethers are BPA free, FDA approved and made from pliable, food-grade silicone. The special ridge-design helps develop your baby's motor skills while providing safe, soothing relief from aching gums.

### Features:

- Made of 100% food-grade silicone.
- Soft, flexible and durable for rough little hands.
- Easy-grip ring design promotes hand-eye coordination and fine motor skills.
- Raised ridges and bristles on the rabbit's ears gently massage your child's teeth and gums.
- Helps soothe teething pain and itching gums.
- Can be frozen to provide added relief.
- Easy-care - just boil to sterilise!
- One-piece design with no joints, cracks or edges for bacteria to harbour.

### Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing this product in warm, soapy water and rinsing and drying thoroughly. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use bleach-based agents to clean this product. Store product in a cool, dry place and avoid direct sunlight.

### Caution:

For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck. Check product condition regularly - replace if this product shows any signs of damage. Adult supervision is required at all times. Please do not use this product for anything other than its intended use. Keep out of reach of children and pets when not in use.
