## PRODUCT MANUAL English

**Product Name:** Silicone Baby Drinking Cup

**Material:** Food Grade Silicone

**Volume:** 150ml

**Colours:** Bluestone/Blush/Rust/Suva Grey/Clear

**Recommended Age:** 6m+

### Product Description:

Help your little one transition from bottle to cup with Haakaa's Silicone Baby Drinking Cup! It's the perfect choice for babies learning to drink independently.

Standard cups can be a bit heavy and difficult for little hands to hold. Made of soft 100% food grade silicone, our Baby Drinking Cup is lightweight and drop-proof so there's no worrying about breakages. It features easy-grip handles so your baby can drink more easily and a sturdy base to help prevent the cup from tipping over!

What really makes our cup unique is the cutout on the rim that gives room for your baby's nose. This allows them to drink without tipping their head back, helping to reduce the risk of choking and making our Baby Drinking Cup the easier, safer choice for your little one!

### Features:

- Made of safe 100% food grade silicone.
- Soft and drop-proof.
- Smooth, rounded edges to protect delicate mouths.
- Cutout on the rim allows baby to drink without tipping their head back.
- Double easy-grip handles make it easy for little hands to hold.
- Thick silicone walls for heat protection.
- Sturdy base to help prevent accidental spills and keep the cup upright.
- Microwave and dishwasher safe.
- 150ml capacity.

### Cleaning and Care:

Clean after each use. We strongly recommend cleaning and sterilising this product with any steam sterilising system or by boiling in water for 2-3 minutes. Do not use any bleach-based agents or sterilising tablets to clean this product. Do not use UV sterilisers to clean this product as it may impact the lifespan of your bottle.

### Caution:

Check product condition regularly. Replace if this product shows any signs of damage. Do not store near any sharp objects. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. This product is not a toy. Do not use this product for anything other than its intended use. Store product in a cool, dry place and avoid direct sunlight. Adult supervision is required.
