Dimensions: Spoon - 36 x 73 x 73mm
 Lid - 35 x 32 x 55mm
Colour: Grey
Recommended Age: 6 months+
Standard: EN 14372

Product Description:

Make mealtimes easier, cleaner and more convenient with Haakaa's Silicone Feeding Spoon Attachment! This handy little accessory fits snugly into the necks of our Silicone Milk Storage Bags, Yummy Pouches and Goody Pouches (sold separately), converting them into convenient spoon-feeding tools! Made of 100% food-grade silicone, this attachment is soft and gentle on little mouths. It features a cross-cut valve that's suitable for both thinner and thicker baby food and purées - all you need to do is gently squeeze the pouch to dispense the desired amount onto the spoon for your baby. It also has a dustproof lid to help keep the spoon clean from airborne nasties between uses.

Features:

- Compatible with Haakaa's Milk Storage Bags, Yummy Pouches, and Happii Bear Goody Pouches for mess-free feeding.
- Cross-cut valve accommodates everything from thinner liquids to thicker, chunkier purées.
- Shallow spoon dispenses food one bite at a time.
- Dustproof lid protects spoon from airborne nasties between uses.
- Easy-care - simply boil to sterilise.
- 100% food-grade silicone is soft and gentle on little mouths.
- Fridge, freezer, steriliser, microwave and dishwasher-safe.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Before first use, clean the product before placing in boiling water for five minutes to sterilise. Wash before and after use. Although dishwasher safe, we recommend hand washing in warm soapy water, then rinsing. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use any bleach-based cleaners or tablets to clean or sterilise this product. Store product in a cool, dry place and avoid direct sunlight.

Caution:

For your child's safety and health

WARNING!

- Always use this product with adult supervision.
- Before each use, inspect the product. Throw away at the first sign of damage or weakness.
- Always check food temperature before feeding.
- For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck.
- Do not store near any sharp objects.
- This product is not a toy. Do not use this product for anything other than its intended use.
- Keep out of reach of children and pets when not in use.
- If food is stuck inside, GENTLY squeeze the bag/pouch and the neck of the spoon (where the valve is) at the same time to let the food out.

Instructions:

Stand pouch/bag upright and pour your prepared baby food or liquid into the opening.

Plug the spoon snugly into the neck of the pouch/bag.

Squeeze the pouch/bag gently to feed!

Cover the spoon with the lid when not feeding.
