1 x Spray Bottle - 32 x 32 x 121mm  
2 x Drying Poles - 8 x 8 x 150mm  
1 x Storage Case - 125 x 54 x 180mm

**Colour:** Cream & Slate

### Product Description:

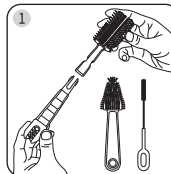

Keep every essential spotless wherever you go with Haakaa's Clean & Dry Travel Brush Set! This all-in-one travel cleaning set is designed to handle daily cleaning tasks, including everything from baby bottles and teats to straws and milk collectors with precision and ease. The bendable bottle brush head flexes for targeted cleaning and features an angled edge to tackle stubborn residue. A 360° brush head with a tapered tip adapts to a variety of sizes, and a simple clip transforms it into a long-handled brush for convenient extended reach. For finer tasks, the nylon straw brush reaches into narrow spots and tight corners, and the dual-direction U-shaped brush fits snugly to the rims of cups or bottles without scratching. Two types of adjustable drying rack allow for effective, efficient air-drying after cleaning. There's even a refillable spray bottle to dispense your chosen cleaning liquids\*. When you're done, everything folds neatly into the compact, travel-ready case complete with a carry strap for grab-and-go convenience.

### Features:

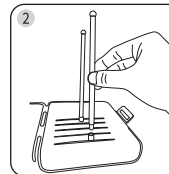

- All-in-one brush set designed for cleaning and drying, from baby and maternity gear to everyday household items!
- Book-style opening allows smooth, hassle-free access for easy organisation.
- Lightweight and portable design, suitable for both travel and home use.
- Bottle brush with removable bristles bends up to 90° and compresses to fit smaller openings for thorough cleaning.
- The handle features a hard-angled edge for easy removal of stubborn residue.
- Flexible 360° brush effectively scrubs hard-to-reach corners, providing an all around clean without scratching surfaces.
- Nylon straw brush is ideal for reaching inner surfaces and gaps.
- U-shaped brush fits over narrow cup or bottle rims to clean stubborn nasties.
- Two adjustable racks for quick air-drying.
- Refillable spray bottle easily dispenses your choice of cleaning liquids\*.
- Compact case with a carry strap and foldable slots for on-the-go.
- Detachable slot rack bottom for easy cleaning and mould prevention.
- BPA, PVC and phthalate-free.

\* Cleaning liquids not included.

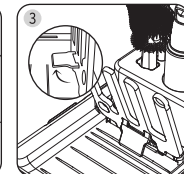

### Instructions:

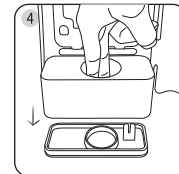

Choose desired brush head. Alternatively, attach the U-shaped brush to the bottle brush to create a longer handle.

To use the tall drying racks, insert the poles firmly into the two holes on the storage case then hang items to be dried.

To use the foldable drying rack, lift it and pull out the stand plate. Position the stand plate against the raised lines to achieve the desired angle.

Ensure all parts are clean and thoroughly dried before reassembling and storing. To clean slot rack, remove all brushes and push down the base from the top of the brush slot.

### Cleaning and Care:

Wash before each use. Hand wash this product in warm, soapy water, then rinse and dry thoroughly. Alternatively, put brushes (excluding straw brush) and storage case through a regular dishwasher cycle then lie flat to cool. Dry thoroughly before storage. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Straw brush contains stainless steel components. Straw brush & spray bottle are NOT suitable for microwaves, dishwashers, sterilisers or boiling water. The bottom of the brush slot can be detached to clean. Ensure it is dried thoroughly before reassembling to prevent mould buildup. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. Do not use bleach-based agents to clean this product. Store product in a cool, dry place and avoid direct sunlight.

### Caution:

- ⊙ Check product condition regularly. Replace if this product shows any signs of damage.
- ⊙ Do not store near any sharp objects.
- ⊙ This product is not a toy. Do not use this product for anything other than its intended use.
- ⊙ Straw brush contains stainless steel - do NOT sterilise in microwaves or sterilisers.
- ⊙ Keep out of reach of children and pets.
- ⊙ Do not excessively pull or stretch the carry strap.
- ⊙ Do not put overweight items on the drying racks as this may cause damage.
- ⊙ Do not drop, forcefully throw, or shake the product at any time.
- ⊙ Ensure the case is securely closed and all items properly stored when not in use.
