Product Description:

There's no need to worry about awkward milk stains with Haakaa's All-Day Reusable Nursing Pad Set! Made with wonderfully soft bamboo and super absorbent microfibre, our reusable nursing pads are comfortable to wear while catching every drop of your leakage. They're designed in a cone shape that's contoured to your breast – meaning no bulges or lumps underneath your clothes! Simply pop in the wash again to reuse.

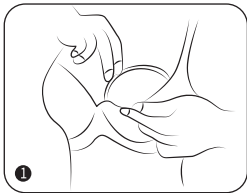

The All-Day Reusable Nursing Pad set can be used during the day to help you step out in confidence, or overnight to keep you comfy and dry as you sleep. Our handy pack keeps you covered 24/7, absorbing milk leakages anytime, any place!

Each set comes with a washing bag.

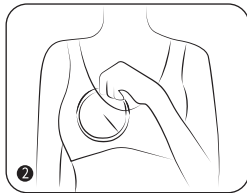

Features:

- Keeps you dry and comfortable all day, every day!
- Contoured cone shape stays on and ensures no awkward lumps or bulges.
- Made with soft bamboo fabric and absorbent microfibre.
- Waterproof outer layer prevents milk stains on your top.
- Triple-layered pads keep you dry during the day or overnight.
- Easy-care and machine washable for busy mums!

Instructions:

Place the nursing pad inside your bra.

Once full, replace with a clean pad and pop the used one in the wash.

Cleaning and Care:

Hand or machine wash with cold water and mild detergent, using the washing bag provided.
