Product Description:

You and your little one can carry snacks anywhere they're needed with the Happii Bear Silicone Goody Pouch! Made from 100% food-grade silicone, the Goody Pouch features clear measurement marks and can be reused over and over again. What's more, the adorable bear ears are perfect for clipping on the optional Silicone Carry Strap so you can easily carry snacks wherever you need to go (strap sold separately). Use for any homemade or bulk goodies, giving yourself the convenience of store-bought food pouches without the plastic nasties or environmental impact. The 170ml capacity is perfect for little hands and tummies, while the cross-cut variable flow Silicone Sippy Spout lets children feed themselves at their own pace. The included silicone straw can be used for liquids and thinner purees to make every last drop accessible, or for hands that are a bit stronger, remove the straw and either squeeze or roll up the soft pouch from the bottom. Compatible with Haakaa's range of Milk Storage Bag and Yummy Pouch accessories for added adaptability!

Features:

- Reusable, eco-friendly alternative to single-use plastic food pouches.
- Soft yet durable 100% food-grade silicone that's gentle on little mouths.
- Leakproof lid prevents spills when out and about.
- X-cut variable flow mouthpiece lets your baby enjoy their food at their own pace.
- One-piece pouch is gently curved with no creases for effortless cleaning.
- Compatible with Haakaa's Silicone Carry Strap (sold separately) for convenient carrying.
- Stands upright with a wide neck for easy filling.
- Cute bear shape with clear measurements on the side of pouch.
- The perfect size for little tummies!
- Includes a drinking straw for thinner purees.
- Compatible with Haakaa's range of Milk Bag & Yummy Pouch attachments to adapt to your baby's needs (sold separately).
- Fridge, freezer, microwave and dishwasher safe.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Before first use, disassemble and clean the product, then place the components in boiling water for 5 minutes. This is to ensure hygiene. After use, please wash and flush all parts thoroughly with clean water to remove any food residue, including all areas where food has passed through. Wash before and after use. Although dishwasher safe, we recommend disassembling this product and washing in warm soapy water, then rinsing. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Other common methods of heating, cleaning, storage and use not listed in this manual may damage the product. Please do not use bleach-based cleaners or tablets to clean this product. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. Store product in a cool, dry place and avoid direct sunlight.

PLEASE NOTE: Volume measurements are an approximation and should be used for general reference only.

Instructions:

Stand the Silicone Goody Pouch upright and pour contents into the opening.

Plug the sippy spout into the pouch opening. Now simply squeeze the pouch to feed!

THINNER PURÉES: remove the sippy spout and insert the straw (unnotched end) up through the bottom of the X-cut opening. Make sure the shield fits snugly against the X-cut. Once inserted, plug back into the pouch.

Cover the spout when not feeding.

Optional Interchangeable Attachments

Compatible with our range of Milk Storage Bag and Yummy Pouch attachments to grow with your child's needs (sold separately).

- a** Silicone Leakproof Stopper
- b** Silicone Squeeze & Feed Attachment Set
- c** Silicone Feeding Spoon Attachment
- d** Silicone Yummy Pouch Sippy Spout

Caution:

For your child's safety and health WARNING!

- Continuous and prolonged sucking of fluids may cause tooth decay.
- Always check food temperature before feeding.
- Check product condition regularly. Throw away at the first signs of damage or weakness.
- Keep components not in use out of the reach of children.
- For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck. Optional Silicone Carry Strap is for hand carrying only – never attach to your child.
- Do not store near any sharp objects.
- This product is not a toy. Do not use this product for anything other than its intended use.
- Adult supervision is required.
- Do not fill pouch beyond top measurement mark.
- Do not forcefully squeeze or shake the pouch at any time, as this may cause contents to leak.
- Always remove sippy spout and lid when microwave heating.
- Take extra care when microwave heating; localised overheating can occur. Always mix the heated food and check the temperature before feeding.
- For use with breast milk only. Not to be used for mixing formula milk.
- Straws are not suitable for a child under 6 months.
