

# SILICONE TEETHING RING

## Product Manual

**Product Name:** Silicone Teething Ring  
**Material:** 100% Food-Grade Silicone  
**Dimensions:** 123 x 95 x 40mm  
**Recommended Age:** 3 months +

### Product Description:

The Haakaa Silicone Teething Ring is the perfect tool for little ones who are starting to teethe! Its easy-to-hold shape and soft silicone parts are thin enough to fit in your baby's mouth while still helping to alleviate teething pain. You can even chuck our Teething Ring in the freezer to provide added cooling relief to those little aching gums!

This specially-designed Teether stimulates sensory development, develops your baby's fine motor skills, and helps children learn shape recognition. Made from non-toxic 100% food-grade silicone, the ridges and bumps on each part of the Silicone Teething Ring provide safe, soothing relief from the pain and discomfort of teething.

### Features:

- Made of 100% food-grade silicone.
- Soft, flexible and durable.
- Easy-grip for your baby's little hands.
- Helps develop fine motor skills.
- Stimulates sensory development.
- Raised bumps and ridges help soothe teething pain.
- Dishwasher and microwave safe.
- BPA, PVC and phthalate-free.

### Cleaning and Care:

Clean before initial use, then clean after each use. Although dishwasher safe, we recommend hand washing this product in warm, soapy water and rinsing and drying thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use bleach-based agents to clean this product.

Safe, non-toxic silicone is soft on little mouths.

Bumps and ridges help soothe sore gums.

Ring-shaped grip is easy for baby to hold.

Rattling effect stimulates sensory development.

Promotes geometric recognition with a range of colours and shapes!

Simple to clean and sterilise.

### Caution:

- Adult supervision is required at all times.
- For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck.
- Check product condition regularly. Replace if this product shows any signs of damage.
- Do not store near any sharp objects. Hard scourers may scratch the surface.
- Do not use this product for anything other than its intended use.
- Keep out of reach of children and pets when not in use.
- Store product in a cool, dry place and avoid direct sunlight.
