

Product Name: Silicone Owl Teether

Material: Food-Grade Silicone

Colours: Amber/Pea Green/Lavender

Recommended Age: 3 months+

Product Description:

Soothe your baby's tender teething gums with our Silicone Owl Teether. This durable little teether is soft and gentle on your baby's mouth, while the easy-grip ring design helps to promote fine motor skills and hand-eye coordination. The raised ridges encourage sensory development and massage aching gums as your little one's new teeth emerge.

Our teether is temperature-resistant, so pop it into the fridge or freezer for some extra cooling comfort!

Features:

- Raised ridges promote sensory development and massage tender gums.
- Easy-grip ring design encourages hand-eye coordination and fine motor skills.
- Patented one-piece design – no joints, cracks or edges for bacteria to harbour.
- Made of gentle and soft 100% food-grade silicone.
- Safe in the fridge, freezer, microwave and dishwasher.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand-washing in warm soapy water and rinsing and drying thoroughly. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser or boil in water for 2-3 minutes.

Caution:

- Use only as instructed to reduce the risk of product damage.
- Check product condition regularly. Replace if this product shows any signs of damage.
- For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck.
- Do not store near any sharp objects.
- Only soft bristle brushes or soft sponges should be used to clean this product. Hard scourers may scratch the surface.
- This product is not a toy. Do not use this product for anything other than its intended use.
- Store product in a cool dry place and avoid direct sunlight.
- Adult supervision is required at all times.
