

Product Name: Octopus Rattle Teether
Materials: Octopus Body – Food-Grade Silicone
 Rattle – Nylon, Glass Beads
Dimensions: 83 x 83 x 99mm
Colours: Pea Green/Lavender
Recommended Age: 3 months+

Product Description:

Get through teething with more enjoyment than ever! Haakaa's Octopus Rattle Teether is the ultimate solution to soothe sore gums while keeping your little one happily engaged. The soft 100% silicone octopus body with raised ridges gently massages and relieves teething discomfort – and you can even pop it into the fridge or freezer for added cooling relief! The hollow, easy-grab shape supports hand-eye coordination and fine motor skills, while the silicone-encased rattle adds fun, gently stimulating sounds to spark sensory exploration and enjoyable games. There's no need to worry about parts falling off, thanks to the seamless one-piece design that keeps the rattle locked securely within. Safe, durable, and easy to care for, this rattle teether is safe in dishwashers, steam sterilisers* and boiling water.

Features:

- 2-in-1 teether & rattle for teething relief and playful sensory stimulation.
- Soft silicone body with no loose parts that's gentle on delicate mouth and skin.
- Nature-inspired octopus with a fun facial expression helps your baby through teething.
- Raised ridges & bumps efficiently ease sore gums.
- Hollow shape is easy to grab, encouraging hand-eye-coordination and fine motor skills.
- Gentle rattle encourages baby to hold and shake for quality play time.
- Simply pop in the fridge or freezer for added cooling relief.
- One-piece design - safe in dishwashers, steam sterilisers* and boiling water.
- BPA, PVC & phthalate-free.

*Electric steam sterilisers only – not suitable for microwaves.

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing this product in warm, soapy water and rinsing and drying thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. To sterilise, use an electric steam steriliser or boil in water for 2-3 minutes. **NOT suitable for microwave heating.** Do not use bleach-based agents to clean this product. Ensure this product is thoroughly dried before storage. Store in a cool, dry place and avoid direct sunlight.

Adorable, nature-inspired octopus shape

Inner rattle adds fun sounds for sensory stimulation

Raised ridges massage teething gums

Fridge & freezer safe for added cooling relief

Hollow shape is easy to hold, developing fine motor skills

Soft-yet-durable silicone is gentle on little mouths

One-piece design with no loose parts

Caution:

- ⦿ Adult supervision is required at all times.
- ⦿ Check product condition regularly. Replace if this product shows any signs of damage.
- ⦿ For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck.
- ⦿ Do not store near any sharp objects.
- ⦿ Do not use this product for anything other than its intended use.
- ⦿ Keep out of reach of children and pets when not in use.
- ⦿ Avoid allowing your baby to put their hands through the hollow hole at the bottom of the octopus.
- ⦿ The octopus head contains the rattle and is harder than the teether base; to avoid injury, do not let your baby hit their body with force.
