PRODUCT MANUAL

English

Product Name: Round Silicone Food Container Set

Material: Food Grade Silicone

Volume: L - 600ml

S - 150ml

Product Description:

Keep your fridge and kitchen organised with Haakaa's Round Silicone Food Container Set! Made of 100% food grade silicone, our containers offer the safest storage possible and won't leach chemical nasties into your food – unlike plastic containers.

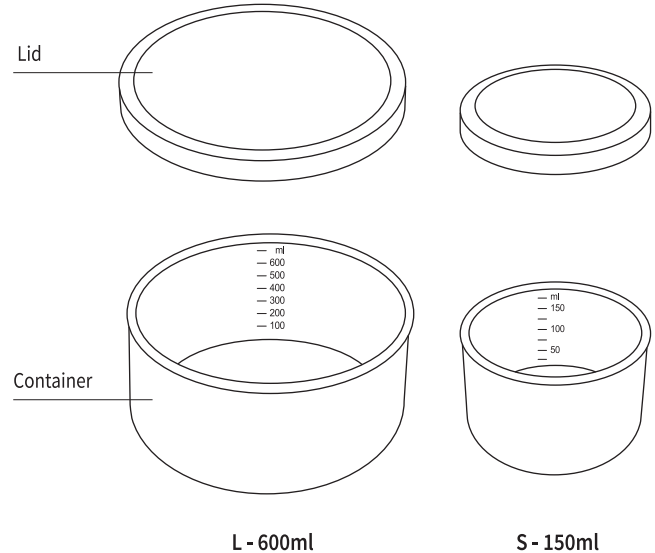

Our containers come in two sizes to help you store everything from yesterday's leftovers to healthy snacks for your little one. They feature a tight, leakproof seal to protect any contents from spilling out, and keep your food fresher for even longer in the fridge! The durable and flexible silicone makes these containers perfect for taking food out and about, as they can bounce around in your bag without breaking. So easy to use, clean and store – a must-have for any eco-friendly kitchen.

Features:

- Made of 100% food grade silicone.
- Leakproof lid seals tightly to prevent spills and keep food fresh.
- Portable and convenient for taking food on-the-go.
- Soft and flexible, easy to store away.
- Heat and freeze resistant.
- Safe in dishwashers, microwaves, boiling water and sterilisers.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing your container with warm, soapy water and rinsing thoroughly. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser (electric or microwave) or boil in water for 2-3 minutes.

Caution:

Check product condition regularly - replace if this product shows any signs of damage. Infants are to be supervised at all times. Please do not use this product for anything other than its intended use.

Please note: Volume measurements are an approximation and should be used for general reference only.
