### Product Description:

Haakaa's Silicone Nibble Tray is the fun and easy way to serve meals and snacks for independent little ones learning to self-feed, or who like their foods kept separate! You can also use it as a mould to make easy-grab treats for little hands or perfectly-sized portions of frozen breast milk for the Haakaa Fresh Food Feeder.

Each tray has nine compartments and includes a lid.

### Features:

- Encourages self-feeding and fine motor skills.
- Use as a freezer tray, steaming tray or separated nibble plate.
- Makes ideal portion sizes for the Haakaa Fresh Food Feeder.
- Perfectly portioned into easy-grab shapes for little hands.
- Made with safe and durable food-grade silicone.
- Safe in dishwashers, microwaves, sterilisers and boiling water.
- BPA, PVC and phthalate-free.

### Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing with warm, soapy water and rinsing thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. Store in a cool, dry place and avoid direct sunlight.

### Caution:

Always use this product with adult supervision. Check food temperature before feeding. Check product condition regularly. Replace if this product shows any signs of damage. Avoid storing near sharp objects. Keep out of reach of children and pets when not in use.

**PLEASE NOTE:** The paperclip is part of the packaging material and should be removed before using the product.
