**Product Description:**

Mealtimes have never been more fun than with the Haakaa Silicone Mushroom Bowl & Bendy Cutlery Set! The Mushroom bowl is designed with little ones in mind. It is made from 100% food-grade silicone, so it's non-toxic and won't break if it drops to the floor! The super strong suction base secures the bowl to the table, keeping mealtime mess-free. The lid keeps the food in the bowl safe and warm inside, AND it can be used as a plate when you take it off – how convenient is that?

The Bendy Cutlery Set is designed to make your child's self-feeding journey easier than ever. Thanks to the flexible yet strong iron core, they can be twisted, bent, and shaped to the most comfortable position. The thick food-grade silicone outer layer is soft with rounded edges, ensuring it remains gentle on delicate little mouths. This bowl and cutlery set is the perfect choice for boosting your little one's self-feeding confidence, while the safety features also provide peace of mind for mum & dad!

**Features:**

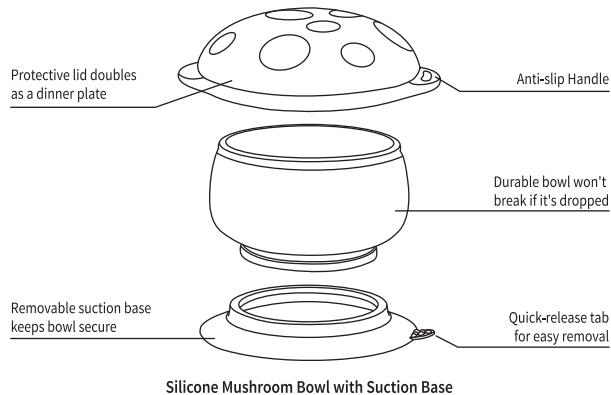

- Strong suction base sticks to smooth, flat surfaces to prevent messes and spills.
- Spillproof lid keeps food protected and doubles as a plate!
- Adorable mushroom design makes mealtimes fun.
- Uniquely angled interior makes scooping easier and encourages self-feeding.
- Flexible cutlery handles can be bent to the best angle to suit your child's grip.
- Soft, rounded edges are gentle on little mouths.
- Handle grooves prevent cutlery sliding into bowls.
- Safe, durable silicone withstands drops and is easy to clean.
- BPA, PVC and phthalate-free.

**Cleaning and Care:**

Wash before and after each use. Although dishwasher safe, we recommend disassembling components, then hand washing with warm, soapy water and rinsing thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. **DO NOT** microwave the spoon or fork as they contain iron. Do not store near any sharp objects. Store product in a cool, dry place and avoid direct sunlight.

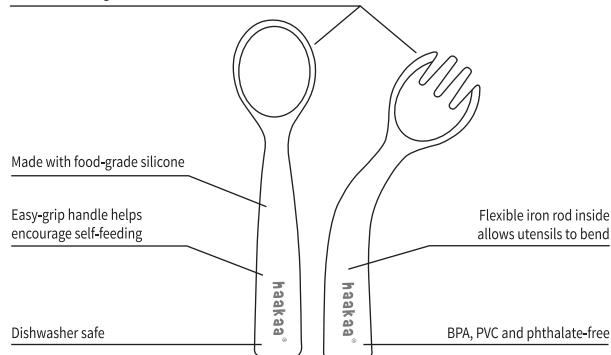

**Caution:****For your child's safety and health****WARNING!**

- Always use this product with adult supervision.
- Before each use, inspect the product. Throw away at the first sign of damage or weakness.
- Always check food temperature before feeding.
- Take extra care when microwave heating food in the bowl; localised overheating can occur. Always mix the heated food to avoid hot spots before feeding.
- Take lid off when heating or sterilising.
- Keep all components out of reach of children and pets when not in use.
- This product is not a toy. Do not use this product for anything other than its intended use.

Silicone Mushroom Bowl with Suction Base

Soft rounded edges are safe for little mouths

Bendy Silicone Cutlery Set

**PLEASE NOTE:** Solid food is recommended for babies 4-6 months+. Always consult your medical professional for advice regarding infants and food allergies or if planning to introduce solids earlier than recommended. There might be a slight depression in the lid after closing. Gently pull the lid's handles out to the side to restore the shape of the lid.
