1 x Storage Box - 115 x 85 x 36mm

**Colours:** Pea Green/Lavender

**Recommended Age:** 6 months+

**Standard:** EN 14372

#### Product Description:

Give your baby a comfortable, easy-to-use self-feeding experience with Haakaa's adorable Astronaut Beginner Silicone Cutlery Set. Our soft, 100% silicone fork and spoons are specially designed for little hands beginning the journey of feeding themselves. Wide-yet-compact handles are in the shape of astronauts, sparking your baby's imagination and making developing their hand-eye coordination easier than ever. Each spoon serves different functions – the feeding spoon is a regular spoon, while the dipping spoon has small holes in the middle to let bubs dip it into thicker or stickier purées. The fork has soft silicone teeth on the tines, allowing baby to pick up soft foods such as pasta more easily. Shields on each of these cutlery pieces help babies new to self-feeding avoid pushing the utensils too far into their mouths, making this the ideal first feeding set!

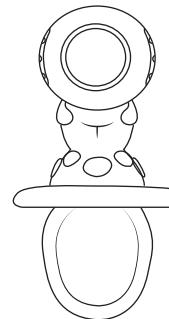

#### Features:

- Easy-to-use spoons and fork grow with baby, allowing them to explore a wide range of foods.
- Soft, flexible 100% food-grade silicone with rounded edges protect gums and mouths.
- Adorable & unique astronaut handles fit small hands and add fun to mealtimes.
- Feeding spoon is ideal for portion control and suitable for a range of textures.
- Dipping spoon features openings to hold onto thicker puréed textures no matter the angle.
- Fork features small teeth to more easily pick up soft foods such as pasta.
- Promotes hand-eye coordination and helps transition to solid foods & self-feeding with confidence.
- Protective shields prevent over-inserting for safer feeding.
- Utensils raise feeding end off surfaces when lying flat to maintain cleanliness.
- Safe in dishwashers, fridges, freezers, microwaves, sterilisers and boiling water.

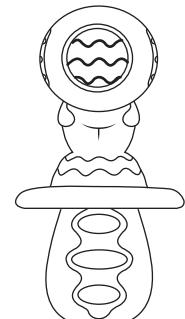

#### Cleaning and Care:

Wash before and after use. Although dishwasher safe, we recommend hand washing in warm soapy water, then rinsing and drying thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. Please do not use bleach-based cleaners or tablets to clean this product. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Store product in a cool, dry place and avoid direct sunlight.

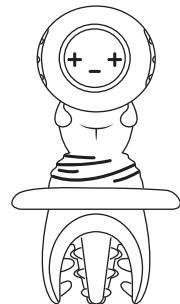

#### Diagram:

**Feeding Spoon:**  
Suitable for a range of textures.

**Dipping Spoon:**  
Perfect for thick,  
sticky or chunky purées.

**Fork:**  
Teeth help grasp soft  
foods such as pasta.

#### Caution:

##### For your child's safety and health

##### WARNING!

- Always use this product with adult supervision.
- Before each use, inspect the product. Throw away at the first sign of damage or weakness.
- Always check food temperature before feeding.
- Keep out of reach of children and pets when not in use.
- Do not use this product for anything other than its intended use.

**PLEASE NOTE:** The dipping spoon is for thicker food textures and is not suitable for liquids.
